MEMORANDUM FOR ERIC FYGI

ACTING GENERAL COUNSEL

FROM:

**GLENN S. PODONSKY**  
**CHIEF HEALTH, SAFETY AND SECURITY OFFICER**  
**OFFICE OF HEALTH, SAFETY AND SECURITY**

SUBJECT:

Annual National Environmental Policy Act NEPA Planning  
Summaries

In response to David Hill's memorandum dated December 10, 2008, regarding the submittal of an annual National Environmental Policy Act (NEPA) planning summary, the Office of Health, Safety and Security (HSS) NEPA Compliance Officer, in coordination with HSS senior management, has determined that HSS has no ongoing NEPA compliance activities; does not expect to prepare any environmental assessments within the next 12 months; and does not expect to prepare any environmental impact statements within the next 24 months. Should any of these conditions change, your office will be promptly notified.

If you have any questions, please direct them to Andrew Lawrence, Director of the Office of Nuclear Safety, Quality Assurance and Environment, at (202) 586-5680 or [andrew.lawrence@hq.doe.gov](mailto:andrew.lawrence@hq.doe.gov).
